Cameo Global Communications Private Limited

Notes forming part of the financial statements for the year ended 31st March 2021

1 Corporate Information

Cameo Global Communications Private Limited (Formerly Known as STS Infotechnologies (India) Private Limited) is a subsidiary of Cameo Global Inc., USA. It was incorporated on 28th June 2005 and the Company commenced its operations from the same date. The Company is engaged in the provision of Software Consulting Services & Software Development.

2 Significant Accounting Policies

The significant accounting policies have been predominantly presented below in the order of the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended). The Company is a Small and Medium Sized Company as defined in the General Instructions in respect of Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended). Accordingly, the Company has complied with the Accounting Standards as applicable to a Small and Medium Sized Company.

2.1 Basis of Preparation

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India ("Indian GAAP") on accrual basis. Indian GAAP comprises mandatory accounting standards as prescribed under section 133 of the Companies Act, 2013 read with Rule-7 of the Companies (Accounts) Rules, 2014. Accounting policies have been consistently applied except, where a newly issued accounting standard is adopted for the first time or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.2 Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Revenue Recognition

'Income from services

Revenue from Information Technology enabled services (ITES) is recognized as per service agreement entered into with the customer.

2.7 Other Income

Interest income is accounted on accrual basis.

Cameo Global Communications Private Limited

Notes forming part of the financial statements for the year ended 31st March 2021

2.8 Property, Plant & Equipment

- a) Fixed assets are stated at cost less accumulated depreciation. Cost comprises purchase price and other costs directly attributable to bringing the assets to their present location and working condition for their intended use.
- b) Assets are tested for impairment and assets which are not expected to generate any future cash flows are stated at their Net Realizable Value.

2.9 Depreciation

- a) The Company has provided depreciation on the fixed assets on Straight Line Method (SLM) based on useful life as per management estimate which are lower than or equal to the rates prescribed under the Schedule II to the Companies Act, 2013.
- b) Depreciation on Fixed Assets is calculated on pro-rata basis with reference to the date on which the asset is put to use or disposed.
- c) Useful life of the assets are as follows:

Particulars	Useful Life
Computers	3 years
Air conditioners	5 years
Office Equipments	5 years
Motor Vehicles	6 years
Leasehold improvements	5 years

Leasehold improvements are depreciated over lock-in period of lease.

2.10 Foreign Currency Transactions

All transactions in foreign currency are recorded on the basis of the exchange rate prevailing as at the date of transaction. The difference, if any, on actual payment / realization is dealt in the profit & loss account. Monetary assets and liabilities denominated in foreign currency are restated at rates prevailing at the year-end. The net loss or gain arising out of such conversion is dealt in the profit & loss account.

2.11 Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

Investment properties are carried individually at cost less accumulated depreciation and impairment, if any. Investment properties are capitalised and depreciated (where applicable) in accordance with the policy stated for Tangible Assets. Impairment of investment property is determined in accordance with the policy stated for Impairment of Assets.

2.12 Employee Benefits

Defined contribution plans

i) Provident fund

The Company makes specified monthly contributions towards employee provident fund to Government administered provident fund scheme which is a defined contribution plan. The Company's contribution is recognized as an expense in the statement of profit and loss during the period in which the employee renders the related service.

ii) Employees' State Insurance

The Company makes specified monthly contributions towards Employees' State Insurance. The Company's contribution is recognized as an expense in the statement of profit and loss during the period in which the employee renders the related service.

Defined benefit plans

(ii) Compensated absences:

Compensated absences is provided by the Company based on the actuarial valuation.

Cameo Global Communications Private Limited

Notes forming part of the financial statements for the year ended 31st March 2021

2.14 Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Rentals for assets acquired under operating leases are charged to the statement of profit and loss on straight line over the term of lease.

2.15 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

2.16 Tax On Income

The Current charge for income tax is based on the tax liability computed as per the Income Tax Act 1961.

Deferred tax asset or liability is recognized for the timing differences between the profit as per financial statements and the profit offered for income taxes, based on the tax rates that have been enacted or substantially enacted at the Balance Sheet date.

Deferred tax assets are recognized only if there is reasonable certainty that sufficient future taxable income will be available, against which they can be realized. Deferred tax assets / liabilities are reviewed as at each balance sheet date.

Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, it is credited to the Statement of Profit and Loss as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

2.17 Provisions And Contingent Liability:

A provision is recognized when the company has a present obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and in respect of which a reliable estimate can be made. Provisions are not discounted to present value and are determined based on the best estimate as at the balance sheet date, required to settle the obligation. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

There are no Micro and Small Scale Business Enterprises to whom the company owes dues as at March 31st 2017. This information as required to be disclosed under the Micro, Small and Medium Enterprises Development Act, 2006 has been determined to the extent such parties have been identified on the basis of information available with the company.

27. Transfer Pricing

Management believes that the Company's international transactions with related parties post 31 March 2016 (last period up to which an Accountants' report has been submitted as required under the Income tax Act, 1961) continue to be at arm's length and that the transfer pricing legislation will not have any impact on these financial statements, particularly on the amount of tax expense and that of provision for taxation.

28. External confirmations and Reconciliations

Trade receivables and trade payables forming part of financial statements are subject to confirmation and reconciliation as at the end of the financial year.

29. Figures are rounded off to nearest rupee.

30. The figures of the previous year have been regrouped and reclassified wherever necessary.
