EXPLANATORY STATEMENT
(Pursuant to Section 102 of the Companies Act, 2013)

Item No. 1: Conversion into Public Limited Company

The Company has secured significant business opportunities, including the award of the **Indian Oil Corporation Limited POL CVTMS Contract valued at approximately ₹248 Crores over a period of five years**, which is expected to substantially enhance the Company's scale of operations and future growth prospects.

In view of the Company's growth plans, proposed fund-raising initiatives and preparation for capital market access, the Board considered it expedient to convert the Company into a Public Limited Company.

The conversion will facilitate:

- Raising equity capital and future fund mobilization;
- Enhancement of corporate visibility and governance standards;
- Preparation for proposed public listing and investor participation;
- Alignment of the Company's capital structure with its long-term expansion plans.

Upon conversion, the name of the Company shall change from **Kritilabs Technologies Private Limited to Kritilabs Technologies Limited**.

The Board recommends passing the Special Resolution set out in Item No. 1.

None of the Directors, Key Managerial Personnel or their relatives are concerned or interested in the resolution except to the extent of their shareholding in the Company.
